Dear Councilmembers:

**COUNTY OF LOS ANGELES COMMENTS ON
LAX MASTER PLAN PROGRAM**

As you may know, over the past several weeks, representatives of the County of Los Angeles have been meeting with Los Angeles World Airports (LAWA) and the City of Los Angeles to discuss the County's concerns regarding the proposed LAX Master Plan. Although discussions continue to take place, the County's concerns have not been satisfactorily addressed. Therefore, on behalf of the County of Los Angeles Board of Supervisors, I am once again submitting comments on the serious inadequacies of the Los Angeles International Airport Master Plan Program. These comments are a result of careful and in-depth analysis of various LAX Master Plan related reports prepared by LAWA. Included in the comments are a series of recommendations which would strengthen the LAX Master Plan and address the well documented concerns of the County.

For the record, the aforementioned comments and the following documents have been submitted to the Planning and Land Use Management Committee, the Commerce, Energy, and Natural Resources Committee, and the City Council for their consideration on September 29, 2004, and October 7, 2004, and October 19, 2004, respectively:

- Final Comments on LAX Master Plan Supplemental Draft EIS/EIR (October 2003); and
- Statement for the Record Regarding Inadequacies of Responses to Comments on the LAX Master Plan Final EIS/EIR (May 2004)

As the aforementioned documents have already been submitted to your Council, we are only submitting one additional copy to the City Clerk's Office in this instance.

Thank you for your serious consideration of these comments.

Sincerely,
